

The Malhotra Group have an exciting new vacancy available for a Maintenance Operative in Byker. This is a great opportunity for someone who has previous experience within a similar role and has experience in minor electrical, plumbing and joinery.

WORKING HOURS: 12 hours per week

LOCATION: Byker, Tyne and Wear

JOB PURPOSE AND SCOPE:

- To carry out day to day maintenance on the fabric of the building, its services and grounds
- Report and action any known defects to appliances, damaged furniture/equipment and any other potential hazards
- Test the alarm system, and log results, weekly. Check call points, fire exits, door retaining devices and fire emergency lights, as specified in Company procedures.
- Be 'On Call' for advice/action in any emergencies which may arise out of hours.

REQUIREMENTS FOR THE ROLE:

- General maintenance knowledge/experience e.g. minor electrical, plumbing, joinery
- Ideally having knowledge of current Health and Safety regulations
- Good communication skills
- Confident team player
- Willingness to receive training on current Health & Safety/Fire/EHO issues
- Ability to work on own initiative
